GROW WITH US
2021 REPORT TO THE COMMUNITY

THE LAKE COUNTY COMMUNITY FOUNDATION
The mission of The Lake County Community Foundation (LCCF) is to improve the quality of life of the most vulnerable residents of the county by providing civic leadership, promoting collective philanthropy and partnering with our grant recipients.

What is a community foundation? As the community foundation for Lake County, we pool local resources and invest them back into initiatives that make our community a better place for all to live, work, learn and play for generations to come. As a nonprofit organization, LCCF, its donors and community partners leverage collective knowledge, creativity and resources for a greater impact than any of us can make alone.

Dear Lake County Neighbors,

As I reflect on all that we have achieved together this past year, I feel a tremendous sense of gratitude for the power of community. The incredible acts of generosity from people like you who continue to show up for their neighbors each and every day is inspiring. The innovation and resilience our community has shown over the last two years is beyond measure—and we have only just begun to build a foundation for lasting positive change.

2021 was a time of exceptional growth here at LCCF. We have welcomed new staff, dramatically increased our grant making and created new programs to serve the community. We invite you to join us on this journey; to not only read about our growth, but to be part of it. I hope you will take a moment to reflect with us on how your generosity has helped our community heal and grow. There is still critical work ahead to ensure that our vision for a Lake County where everyone has the access, opportunities and resources to thrive comes to fruition.

But for a moment, I invite you to join us in celebrating this season of growth as we witness the abundance of impact your generosity has made on the community we love. From all of us at LCCF, thank you!

Yours in community,

Maggie Morales
Executive Director, The Lake County Community Foundation
Our community investment strategy focuses on addressing basic human needs and supporting early childhood education, leadership development and animal welfare.

TOTAL DONOR ADVISED FUND GRANTS: $1,902,782

Since March 2020, we have raised over $1.6 million and granted almost $1.5 million to frontline health and human service partners serving our neighbors during the COVID-19 pandemic. Thanks to all who have contributed!
Over the last three years, LCCF has experienced a staggering 250% increase in funds requested to support critical needs throughout the county. In the 2021 Basic Human Needs grant cycle, 71 nonprofits submitted applications, totaling almost $1.3 million in funding requests, which was far beyond LCCF’s available resources.

Fortunately, local donor and volunteer, Carlette McMullan, met that need and established the James & Madeleine McMullan Family Foundation Charitable Fund held at LCCF. Through their donor advised fund, Carlette and her family have committed $500,000 annually through 2026 to support our Basic Human Needs grant making. LCCF is grateful for the McMullan family’s incredible generosity in support of the growing need in our community!

“\[The Foundation’s extensive local expertise and knowledge of Lake County’s needs is helping our family to maximize our giving, ensuring that our investments are strategic and align with our priorities and the impact we want to have on our local communities.\]”

To learn more about how you can make an impact in your community by establishing a named fund, call Wendy at 847-377-0520 X23.
In 2003, a group of passionate residents founded The Lake County Community Foundation as an affiliate of The Chicago Community Trust. This visionary group recognized Lake County needed a permanent charitable resource to pool financial resources and support neighbors in their community.

One founder, Robert F. Reusché (Bob), generously left a $1 million legacy gift in his will to establish the Robert F. Reusché Operating Endowment. He knew this “forever fund,” which generates annual support for LCCF operations, would help ensure there would be sufficient resources to support LCCF’s mission and impact for generations to come.

Today, Bob’s charitable legacy continues alongside that initial vision of our LCCF founders. As we approach our 20th year of operation, we have reached a momentous time in our organizational maturity. With strong support from our parent organization, The Chicago Community Trust, we are nurturing plans to branch out on our own and achieve full independence in order to deepen our impact and truly become a permanent community resource.

Thanks to the generosity of other donors, the Reusché Operating Endowment has grown to over $6 million. Growing this pool of funding as we achieve independence is vital to ensuring we will be here to serve Lake County, now and forever. Together, we can make the vision that Bob and LCCF founders had for the Foundation and our community a reality.

Contact Wendy at 847-377-0520 X23 to learn more about how you can help grow the Reusché Operating Endowment or create a named operating endowment of your own to support the community you love.

LOVE WHERE YOU LIVE CLUB

LCCF’s monthly giving program, the Love Where You Live Club, is an easy way to give back to your community. All funds raised through the Club go directly back to the community through grants to support nonprofits serving our most vulnerable neighbors throughout Lake County. We encourage you to love where you live and give where you live!

“

I joined the Love Where You Live Club because I love giving to local organizations that are making an impact in the community where I was born and raised and now continue to enjoy with my own family. Monthly giving is the vehicle I chose because I don’t have to remember to give each month and the gift comes automatically out of my account. I really believe that people should love the place where they are living and support their community.”

- REBECCA SOLANO, LWYL Club Member

LAKE COUNTY LEGACY SOCIETY

Have you thought about your legacy? How do you want to be remembered? You may be looking for a way to preserve your family name, honor loved ones, provide for heirs or minimize tax burdens. Making a planned legacy gift can allow you to accomplish all of this while leaving a lasting impact on the community you love.

Whether you want to establish a designated fund for a certain nonprofit or a field of interest fund to support a cause you care about, we help donors from all walks of life give back to their community. You may also become a Lake County Legacy Society member by naming LCCF in your will, designating LCCF as a beneficiary of your retirement plan assets, or making LCCF the beneficiary of your life insurance policy.

Contact Wendy at 847-377-0520 X23 to learn more about the Lake County Legacy Society.
The Lake County Community Foundation provides personal service, advice and tools to support your philanthropic goals. First, we help you identify your passions and what kind of impact you want to make. Next, we can help you find the right organizations and giving tools to make the most impact.

There are countless ways to give—including a donor advised fund (DAF). A DAF is a giving vehicle that allows donors to make a charitable contribution, receive an immediate tax deduction and then recommend grants from the fund over time. Our DAF advisors are part of the LCCF family, and we support them in maximizing the impact of their gifts!

**4 Jack Adams Memorial Fund**

When Rich and Kristy Adams lost their beloved son, Jack, in 2019, they knew they wanted to honor their son’s memory through giving. After learning more about donor advised fund opportunities at LCCF, Rich and Kristy established the 4 Jack Adams Memorial Fund to support causes that Jack was passionate about. Jack, who wore jersey #4, loved playing lacrosse and spent several years teaching young lacrosse players the game. He particularly loved working with the Lake Forest Lacrosse Association’s (LFLA), Learn 2 Lax, a program designed to expose kindergartners and first graders to the great game of lacrosse. The Adams have used the 4 Jack Adams Memorial Fund to support the LFLA’s Learn 2 Lax 4 Jack program as well as organizations providing grief support, promoting water safety and more. Through their dedicated fund page on the LCCF website, they have promoted giving to the Fund each year to honor Jack’s legacy.

The Small Business Growth Initiative (SBGI) is designed to collaboratively support small businesses owned by people of color in priority communities within Lake County through the infusion of financial, relational and human capital. We take a data-driven and individualized approach to working alongside small business owners to help them meet their specific growth goals while enriching the surrounding economic landscape.

LCCF is working with Allies for Community Business, College of Lake County’s Illinois Small Business Development & International Trade Center (SBDC) and Lake County Partners to build this comprehensive program that will ultimately result in a network of support for small businesses owned by people of color. Businesses selected to participate in the program will receive a grant to support a project that will strategically grow and strengthen the business. The SBDC will provide technical assistance to the business based on results of a needs assessment and will pair the business owners with subject matter experts to address specific areas of growth. Thank you to our pilot funders (Northshore Gas, First Presbyterian Church of Lake Forest, Great Lakes Credit Union, and an anonymous donor) for making this grant possible.

ABOUT THE SBGI PILOT PROGRAM GRANTEE, DRIp AND CULTURE Co.
Drip and Culture Co. is a coffee shop located inside Supermercado Gonzalez in Waukegan. With the tagline, “socially minded coffee,” owners Adam Carson and Nydia Gonzalez-Carson intend to leverage their profits to invest in their community and become a model for social entrepreneurship. Adam and Nydia believe strongly that Waukegan has immense potential to become a thriving hub of entrepreneurship and LCCF is thrilled to partner with them to achieve that vision.
